2. While issuing the said orders the entire para 2 (ix) was deleted by incorporation of the recommendations of the PRC 2009, because of which the quantum of the amount payable by the foreign employer as Leave Salary and Pension Contribution was also deleted. Consequently the rates at which Leave Salary and Pension Contribution are to be paid, in cases where they are not exempted, are not provided for in the said orders. Further, as per the orders in the said G.O., if a clause is not mentioned in the orders of deputation regarding Leave Salary & Pension Contribution to be paid by the borrower, the same is not to be recovered from the borrowing institution/Department. Many lending departments being unaware of the above clause and G.O. are still following only G.O. Ms. No. 10, Finance, dt. 22-1-1993, and not mentioning the clause regarding recovery of Leave Salary and Pension Contribution in the deputation orders, even where the two components are to be paid. Consequently, by default, Government is losing the two contributions.

3. In view of the above position, and after careful examination of the issue, it is decided by the government to issue an amendment to G.O.Ms. No. 160, Finance (FR.II) Dept., dated 7-5-2010, as follows:

#### AMENDMENT

(A) In the table given under para 5 of the said G.O. in place of Revised Para 2 (ix) the following is to be replaced.

If specific</p>	<p>(ix) Leave Salary and Pension contribution:</p> <p>(a) While accepting the proposal of the deputation, the competent authority should include in the order of deputation a specific clause regarding the waiver of the recovery of Leave Salary and Pension contribution and shall mention the exceptional circumstances under which the competent authority feels that the waiver of recovery of Leave Salary and</p>

© even in respect of State Government Companies, where there is no Grant in aid, since the Government has a major share, it should be treated as an extension of Government service and contribution shall be waived. In respect of deputation of officers from one grant-in-aid institution to another grant-in-aid institution, the leave salary and Pensionary contributions shall also be waived, as in the final analysis, the expenditure is met by the Govt. In cases where officers from grant-in-aid institutions are deputed to work in govt. or in Quasi Govt. organizations these contributions shall be waived on the same analogy.

Pension contribution is warranted. If specific clause relating to waiver of Leave salary and Pension contribution is not mentioned in the deputation order, then such recovery is applicable as per the rates mentioned in FR. 116.

(b) When the borrowing institutions are of Central Govt./other State Govts./or the State Govt. Institutions in A.P. which receive funds from other sources such as world Bank/Central Govt. and the other institutions whose source of income is from other than Govt. of A.P./ and other institutions of A.P., like Universities/Local Bodies etc., who receive funds from Govt. of A.P. to some extent only and receive funds from other sources for the remaining extent, then such institutions shall pay Leave salary and pension contribution for borrowing Government servants. In other words Institutions which receive 100% of funds from Govt. of A.P. only are eligible for exemption of Leave salary and Pension contribution mentioned in G.O. Ms. No. 160, Fin. (FR.II) Dept., dt. 7-5-2010.
